COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the April 10th meeting of the Board of Selectmen it was voted to purchase a pickup truck for the Highway Department. Prior to the meeting inquiry had been made from local dealers as to prices of new pick-ups. It was found that a slightly used pick-up could be purchased with a substantial saving as against the cost of a new one. It was decided to purchase the slightly used 1959 Chevrolet 3200 with a 3/4 ton body.

The truck is to be used by the foreman for transferring small equipment and materials, as well as means of transportation in looking after the various municipal projects.

You will be pleased to note that no additional money will be required from the taxpayers to pay for the truck. For several years the foreman has furnished a pickup truck and has been paid for the use of it on town work. Instead of paying the foreman the same amount will be applied toward the purchase price. On this basis it will take two years and three months to pay for the truck.

Anyone desiring a permit to carry a concealed weapon must first make application to the Board of Selectmen. At a recent meeting the board decided to tighten restrictions on the issuing of permits. A very good reason must be shown in the future as to a real need for the permit. Such reason as going on a fishing trip will not be accepted.

Sincerely
Harold L. Bean

HEALTH COUNCIL TRUSTEES STATE NO BAZAAR THIS YEAR—FUNDS DANGEROUSLY LOW

At a special trustee meeting on April 28 the trustees of the Health Council supported the President in requesting the nominating committee to bring in a slate of officers at the regular quarterly meeting of the Council members at 7:30 p. m., May 7, at Ruth Carver Ames' office to elect such officers and trustees as required by the by-laws.

Owing to the lack of interest shown by poor attendance to discuss it at the last few meetings it was decided times were not favorable for a bazaar this year.

Since last year the Council has provided and distributed the major contents of 33 Thanksgiving and Christmas baskets; supplied the needs of some 67 applicants for clothing, blankets, etc.; rendered financial and transportation aid to five individual families; cooperated with the Red Cross in fire cases; all at an expenditure of \$987.34, which leaves the emergency fund impaired and the general operating fund dangerously low.

Contributions may be made to Kimball Ames, treasurer, but if the purpose of the Council is to flourish willing workers must volunteer.

LIFE LINES

by Col. Ralph T. Miller of The Salvation Army

OUR STARVING SOULS

Some friends of mine have a new baby. She is a normal, beautiful child. But it was discovered that she had one serious problem. She just couldn't drink milk! There is something in milk to which she is allergic. The doctor says that it won't last long, and that by the time she is a year old, she will be able to drink it.

But in the meantime, she has a real problem. Imagine a baby who can't drink milk! But fortunately, scientists have recently discovered a substitute, made from soy beans, as I understand it. So, my friend's little daughter is growing happily.

But I keep thinking of what might have happened, had that new wonder food not been discovered in time.

In the Word of God, we read of a time when an entire nation, the Children of Israel, faced extinction in the wilderness, because they could not eat the food available. But God provided for their need. Each morning when they awoke, they found every bush was covered with a glistening crystal-like food, which provided a perfectly balanced menu for the day. "What is it?" they asked. Because no-one knew, they called it manna "what is it?"

As we look upon the world today, we find that multitudes are starving, just as certainly as did the Children of Israel in the wilderness. They are starving, not for lack of physical food, but because they have forgotten that the soul of man must be fed, too.

That is the reason why it is so

We voted on sending one dollar to the head room in Washington. After the meeting we played a new game our leader showed us. The club will observe May 3 as 4-H Sunday and all members will attend a church service of their choice but the members will all attend as a group. As a community project or service the club will clean up an old town cemetery which has been neglected. At this meeting we welcomed a new member, Lucy Curtis, who has enrolled in the sewing and cooking projects. After the business meeting the members enrolled in Food Preparation did some cooking. First, both boys and girls in this project, made some Clover Leaf rolls. The girls made a chocolate cake, which was later eaten by the entire group. The boys made some pancakes which disappeared as soon as they were taken off the grill. Miss Joanne Hawkins, Club Reporter.
